## **STONED AGE** *Psychotic Voodoo Punk*

Founded in '89 the band has played countless gigs and tours in Germany and Europe, among others with SNFU, 999, Beggars ITA, Frantic Flintstones, Scum Rats and lots of other bands. Mutating in '99, the band has since been pestering its environment with four guitars and one or two bass guitars.

**STONED AGE** is pressurizing, psychopathic Voodoo-Punk.

Thanks to the alien influence of guestshouters and musicians from different and strange parts of the galaxy, some songs undergo constant and disturbing changes, letting every gig mutate into something entirely new.

**WARNING: STONED AGE** seriously damages your health!!!
